About

We are Sites, we help your business bloom by doing what we love most, "Responsive Webdesign".

As a small company, we have to work twice as hard to surpass the competition, and that is why we are the best. We offer responsive designs that make your website accessible on all devices. Our 24/7 support is a source of comfort to our clients, and we pride ourselves in providing the best of services.

All the packages we offer are as you use it, no sudden increase, or surprise last minute delays, you can be rest assured that you are getting the best.

TABLET VIEW

This Mockup represents All the TABLET views for each of my pages.

desktop view

This Mockup represents All the DESKTOP views for each of my pages.
The difference between my Tablet and desktop view are not much, this is because i prefer the layout the way it is, and i believe that the ipad can do a lot of things the desktop can.
